First Light Community and the Mobile Half Marathon is offering team competition at no extra charge. These are NOT relay teams. Each team member must complete the half marathon course.

Each team must consist of at least 5 people, with the 5 fastest members scoring for the team. An individual may only participate on one team. Team captains are responsible for completing this Team Roster and submitting it to the Mobile Half Marathon by January 5, 2023.

Each team member must also submit a signed individual race application / waiver. Winning teams will be awarded unique canvases handmade by the core members from First Light Community.

Team Awards will be announced in the following divisions: **Open, Masters, Grand Masters, Senior Grand Masters, Organization and High school**. Each division will feature all male, all female and coed categories (Coed teams must have at least one male and one female participant.)

Winning time will be calculated from the combined finish times of the 5 fastest runners on each team in each category. As with all awards, runners' times will be based on Gun Time. Team entries will require a completed team roster, and completed and signed individual race applications. Changes in team rosters may be made at Packet Pick-up on Saturday, January 7th, prior to obtaining the team race packets. Any new team member MUST provide a completed individual application and be present to sign the waiver; otherwise, the team entry will NOT be changed.

Race-day team registration or team category changes will NOT be allowed.
Individual team members must also complete a Race Application form.
